Parkside Plus

Our Optional Housekeeping Program

Parkside Plus was developed to improve the lifestyle of our residents and to enable them to remain independent and maintain control of their lives.

Parkside at Westminster is proud to offer the **Parkside Plus** program, created to provide an optional housekeeping service for our residents.

HOUSEKEEPING

A weekly housekeeping and flat linen laundry service is available to the participants of Parkside Plus. Residents enjoy housekeeping assistance each week, including vacuuming and dusting along with flat linen laundry service. This allows more free time to enjoy leisure activities.
